

Research Proposal Review Procedures

1. The WHC Research Committee shall be composed, at minimum, of the Chief Executive Officer, Chief Medical Officer, Chief Performance and Compliance Officer. Any other WHC staff that has an interest, expertise or experience in evaluating community based participatory research may participate.
2. The Patient Centered Health Care Home (PCHCH) and Quality Committee shall be the venue for reviewing research proposals.
3. The Chief Performance and Compliance Officer shall serve as the Chair when reviewing research proposals.
4. A “WHC Research Committee Review Sheet” shall be completed by each committee member reviewing the proposed research.
5. A majority of committee member who completed their review sheet shall determine if the proposed research is Approved, Approved with Revisions or Not Approved.
