

Primary Care Licensed Clinical Psychologist

Mission

Waimānalo Health Center is rooted in Native Hawaiian values and devoted to improving the health and wellness of all people, regardless of ability to pay, by providing comprehensive primary and preventive health care services of the highest quality.

Vision

Waimānalo Health Center is dedicated to the continuous advancement in quality healthcare while assuring universal access for all. We believe that our values of Aloha, Mālama I Ka Pono, Mālama I Ka 'Ohana, and Mālama I Ka 'Āina, enable our patient-centered healthcare home services to deeply focus on the shared role of healing oneself, 'ohana, community, and 'āina over generations.

Core Values and Guiding Principles

Our values at Waimānalo Health Center promote Hawaiian-centered diversity, equity, and inclusion by welcoming all members of the Ko'olaupoko community to access our holistic services ranging from traditional Hawaiian healing practices to Western medicine.

Aloha: We listen to people with our full attention, seeking to know them and understand their health care and wellness needs and aspirations for themselves, their family and community. We will respond, to the best of our abilities, as caring, compassionate, engaged, and professional partners in healthcare.

Mālama I Ka Pono: We know that quality healthcare starts with people's trust in our services and the excellence of our care for them and the resources entrusted to us to meet their needs. We are committed to maintaining their trust by treating people with respect and confidentiality, and by being open about our organizational practices and results, seeking to continuously improve our work.

Mālama I Ka 'Ohana: We believe that wellness embraces the whole family, and we welcome their participation in the healthcare of their loved ones. Our belief extends from the Ahupua'a of Waimānalo throughout Ko'olaupoko where we build the foundation for good health and wellness for everyone, and we seek collaborative partners who share our values and vision.

Mālama I Ka 'Āina: We understand the importance of one's sense of place and the holistic nature of health and wellbeing. Through integrative services we support the balance of body, mind, and spirit, while respecting one's cultural connectedness to the 'āina of Hawai'i. Ka Mauli O Ka 'Āina A He Mauli Kānaka: The Life of the Land is the Life of the People

We are seeking a dedicated, talented, and team-oriented Primary Care Licensed Clinical Psychologist, to join our 'ohana (family) to support our mission and values.

Waimanalo Health Center is dedicated to offering employees an exceptional work environment and offers competitive salaries and benefits.

Summary

The Primary Care Licensed Clinical Psychologist, as part of the primary care treatment team, in the context of the Patient-Centered Health Care Home, identifies, triages, and manages patients with

medical and behavioral health problems within the primary care clinic. This position will provide screening, brief intervention, and referral to appropriate treatment, for a wide variety of psychosocial and behavioral issues that impact overall health and wellness of patients. The Primary Care Licensed Clinical Psychologist will be available for all warm handoffs from the primary care team but will also help to identify and proactively seek out patients identified by the team as potentially needing behavioral health services. In addition, the Primary Care Licensed Clinical Psychologist will provide skill training through psychoeducation and patient education strategies and will develop specific behavioral change plans for patients and behavioral health protocols for target populations.
